

THE WHITE HOUSE
WASHINGTON.

Mr. Bundy

Mr. Knox is scheduled to speak before the Council on Foreign Trade tonight.

Thus far he has not publicly talked about his conversation with K. He feels he should be a little more discursive tonight, but is willing to keep under wraps anything we suggest he should.

We need your sense of the situation. On first glance I would suggest that he keep out of any discussion the portions of paragraphs 7, 8 and 10 that I have marked. Do you have any strong feelings on this, one way or the other.

Need an answer by 2.
